

SALT CREEK SUMMER JAM SCHOLARSHIP APPLICATION

Criteria: graduating senior, planning a post-secondary course of study, including four year college/university, two year junior college, trade or vocational school, or apprenticeship. Preference given to applicant who has been a contributing part of the Sprague/Martell Community (Fun Days, softball, community events, concession stand volunteer, etc).

Amount: \$1000 scholarship, paid to the post secondary institute in the student's account

Submit to Salt Creek Summer Jam Board by April 1 via email

Salt Creek Summer Jam was started in memory of Jamie Bauman and her passion for country music and connecting people together. While Salt Creek Summer Jam is just one evening annually, our hope is that the community and connections extend beyond to the community year-round.

Student Name _____

Describe your post-secondary plans– what type of formal education/training are you planning to get after high school and what interests you about it? Be specific (include the name of the college/apprenticeship program).

Essay: Type your answers to the following prompts on a separate document.

- Describe why the community is important. How has it had an impact on you?
- Describe how you have been a contributing member of the community. Please avoid just listing involvements; instead describe what you have done and why community is important to you. Highlight your contributions and why you feel proud of this.

Recipient is invited to attend this year's annual Salt Creek Summer Jam (the third Saturday in August) at the Central Light & Rec Community Center.
